2ND ANNUAL ANGEL LAUNCH IS GREAT SUCCESS!

Kim Townsan, President

Well, girls, you did it again! Our Second Angel Launch and "Angel Event", which took place on Thursday Sept. 21, was a tremendous success!

Before the event ever started we had already **raised over \$10,000** through individual contributions from members.

Thanks to the **42 "Academic Angels"** among us who made those contributions we are once again able to help some very deserving women begin the journey to their lifetime dream!

We take our **"halos"** off to you! Contributions came in as small as \$25 and as large as \$500. Every Angel who made a contribution did what she could to help the cause of education for women who might not have the opportunity otherwise. Every contribution is worthy of praise! We are also grateful to our **retail sponsors** who helped us achieve this success. We hope that you will take time to read our Thank-You Ad

in the Village Voice and make note of every business that contributed, either directly to the college or by a donation to the auction. **Please make it a point to patronize these businesses and to say “thank-you”.**

For those of you who could not attend the event, you missed a very fun time and an excellent meal at Johnna’s at the Desoto Club. I think most people who bid on the silent auction items got some very good deals and for those who won the bids on live auction items, we appreciate your wonderful generosity! Two groups of people each bid \$500 for a wine and h’orderves party to be hosted by Sue Luerksen, Diana Reeves, and Carol Freeland. Thanks to some very generous people we made more than \$5000 on our auction. Not all expenses are paid yet, but after everything is settled, we should have **over \$15,000 for scholarships** next year.

Thanks so very much to all of you and especially to those of you who helped in any form or fashion to make this a **SUCCESS.**

Farewell to Pam Burns

Several AAUW’ers were able to meet at the last minute to bid a “oh NO” goodbye to Pam Burns. She and her husband have sold their home and moved to St. Simons Island in Georgia. We’ll miss the involvement of long time, ever-faithful **PAM.** But she will remain one of our members!!
