Message from the President

I am having trouble believing that it is already October – time is just flying by. I am hoping since we have had some rain that we will see lots of beautiful color change this fall.

Our Angel Launch Fundraiser on September 27th was a wonderful evening. Thank you to Kim Townsan, Myra Sanders, Jeanne Ginnaven, Karen Vinyard and Becky Gifford for all their hard work making sure it was a success. Thank you also to everyone that won either a silent or live auction item. Without your support our goal of helping as many women as possible each year would not be possible.

Your board voted over the summer to partially fund a new endowment with money we had in our scholarship fund. The proceeds from the Angel Launch Auction (around \$5000) will be added to that endowment this year and next year, at which time we will have a new fully funded endowment for a scholarship starting in the 2020-2021 academic year.

I hope to see you all at the Mid-America Science Museum on October 17th. It should be a fun and informative few hours for all.

Night of Angels—Luminaria Night

Be an angel....

The “Night of Angels lets neighborhoods come together and enjoy a night of luminaries while supporting a great cause! Proceeds from AAUW’s “Night of Angels” luminaria sales will send a local college woman to AAUW’s National Conference of College Women Student Leaders, held in May at the University of Maryland.

A luminaria kit costs \$20 and includes 8 luminaries. The luminaries will be set out on Friday, Nov. 30 in front of homes and/or on driveways by 6 p.m. Neighborhood “angels” are encouraged to host open houses and invite neighbors to enjoy the lights.

Order forms can be obtained from Kim Townsan at townsaka@yahoo.com; orders must be received by Nov. 2.

Kits will be delivered to “angels” the week of Nov. 12 for distribution.

Support our future leaders while making our neighborhoods festive!

MEMBERSHIP NEWS

For members who would like to order name badges, please send \$8 to Paula Mathews (25 Navegar Circle), who will then forward the information to Karen Vinyard, our membership chair, for ordering. The badges are usually ready within two weeks.

Just a reminder: If you know a prospective new member, she can join for half the price of the national AAUW dues if she joins at a special event. The Oct. 17 meeting at the Mid-America Science Museum and the scholarship luncheon on Nov. 3 are both special events and good opportunities for new members to join. The dues at one of the events is \$44.50, instead of the usual \$74.

Long-time member Cynthia Saalfeld has moved—here is her new address:

800 Southerly Road, #910, Towson, MD 21286
