

Janet Holt and Deanna Tolliver, from the Unitarian Universalist Village Church Green Team, will do a Zoom presentation about things we can do to impact the climate crisis.

The team says:

*There are 3 possible responses to the climate crisis:*

*(a) give up and decide the situation is hopeless*

*(b) stick our heads in the sand and pretend this will all go away*

*(c) make some lifestyle changes that will have a positive impact*

*The UUVC Green Team has chosen option C and we hope you will, too. Join us on February 24 and we'll show you how!*

DATE: Wednesday, Feb. 24

TIME: 4 p.m.

WHERE: The comfort of your home

This will be a Zoom presentation—a link will be sent to members a day or two before the event.
